Dyraste bilarna och deras ägare där du bor

■ Listan baseras på ett urval av de bäst säljande bilmodellerna under åren 2005, 2006 och 2007 och modeller som importerats av importörer anslutna till Bil Sweden. Kvällsposten reserverar sig för eventuell privatimport. Listan gäller de bilar som registrerats i Sverige sedan den 1/7 2005 vilket betyder att även äldre och privatimporterade bilar kan förekomma på listan. Källa: VÄGVERKET
